1. What is FungeX?
2. How to use FungeX?
3. Ingredients
4. Contains
5. Pregnancy and breast feeding
6. Warning
7. Storage

#### 1. WHAT IS FUNGEX?

A revolutionary product that stops itchiness, irritation and unpleasant smell with a single 30 minute application.

#### 2. HOW TO USE FUNGEX?

Remove any products from your feet, e.g. nail polish, prior to use.

1. Use a scissor to cut the FungeX Athlete's Foot Socks along the indicated lines.
2. Place socks over your feet and make sure its fits comfortable. Seal the socks with the adhesive straps.
3. Wear socks for 30 minutes, longer does no harm but does not increase the efficacy. After 30 minutes remove the socks. No need to wash off, just let your feed dry naturally.

After the 30 minutes remove the socks. No need to wash off, just let your feed dry naturally.

#### 3. INGREDIENTS

Water, Alcohol, Butylene Glycol, Propenediol, Glycolic Acid, Sodium, Hydroxide, Phenoxyethanol, Chlorphenesin, PEG-40 Hydrogenated Castor Oil, Piroctone Olamine, Melaleuca Alternifolia Leaf Oil

#### 4. CONTAINS

1 pair of FungeX Athlete's Foot Socks for all foot size up to 48 EU.

#### 5. USE BY CHILDREN OR ELDERLY PERSONS

FungeX can be used on adults and children from the age of 12 years and older.

#### 6. PREGNANCY AND BREAST FEEDING

There is no data available on the use of FungeX in pregnant or breastfeeding women.

#### 7. WARNING

Keep out of reach of children. Not to be used under the age of 12 years. For use on feet only. Avoid contact with eyes and injured skin. For external use only. Remove any product such as nail polish before use. Do not use the product if you are hypersensitive to one or more of the ingredients. If irritation persist, seek medical advice. Consult a doctor if you are diabetic or suffer from poor circulation. You may feel a cold, tingling sensation during the half our of application, this is normal. If you walk around while wearing the socks, do so with caution as there is danger of slipping and possible tearing of the socks, which could cause staining of the floor and clothes. This is a single use product. Dispose of socks after one use.

#### 8. STORAGE

Store at room temperature. Keep away from open fire. FungeX® can be used for 6 months after opening.
