1. What is FungeX®?
2. How to use FungeX®?
3. Ingredients
4. Contains
5. Use by children or elderly persons
6. Pregnancy and breast feeding
7. Warning
8. Storage

#### 1. WHAT IS FUNGEX®?

A revolutionary product that stops itchiness, irritation and unpleasant odour associated with athlete's foot, with a single 30 minute application.

#### 2. HOW TO USE FUNGEX®?

Remove any products from your feet, e.g. nail polish, prior to use.

1. Use a scissor to cut the FungeX® Socks along the indicated lines.
2. Place socks over your feet and make sure it fits and feels comfortable. Seal the socks with the adhesive straps.
3. Wear socks for 30 minutes, longer does no harm but does not increase the efficacy.

#### 3. INGREDIENTS

Water, Alcohol, Butylene Glycol, Propanediol, Glycolic Acid, Sodium Hydroxide, Phenoxyethanol, Chlorphenesin, PEG-40 Hydrogenated Castor Oil, Piroctone Olamine, Melaleuca Alternifolia Leaf Oil

#### 4. CONTAINS

1 pair of FungeX® Socks for all foot size up to 48 EU.

#### 5. USE BY CHILDREN OR ELDERLY PERSONS

FungeX® Socks can be used on adults and children from the age of 12 years and older.

#### 6. PREGNANCY AND BREAST FEEDING

There is no data available on the use of FungeX® Socks in pregnant or breastfeeding women.

#### 7. WARNING

Keep out of reach of children. Not to be used under the age of 12 years. For use on feet only. Avoid contact with eyes and injured skin. For external use only. Remove any product such as nail polish before use. Do not use the product if you are hypersensitive to one or more of the ingredients. If irritation persist, seek medical advice. Consult a doctor if you are diabetic or suffer from poor circulation. You may feel a cold, tingling sensation during the half hour of application, this is normal. If you walk around while wearing the socks, do so with caution as there is danger of slipping and possible tearing of the socks, which could cause staining of the floor and clothes. This is a single use product. Dispose of socks after one use.

#### 8. STORAGE

Store at room temperature. Keep away from open fire. FungeX® Socks can be used for 6 months after opening.

All inquiries about FungeX® should be sent to the local distributor.
